

News from us

Week ending 10th May 2019

From Mrs Barber

Welcome back to a short and swift half term. You will see from the curriculum letters the children have many exciting learning opportunities planned. We have updated the school calendar to accommodate date clashes with St Nicholas C of E Middle School, school visits and teacher training opportunities.

Year R 1 News

We have had a wonderful two weeks learning all about the seaside. A huge thank you to all the effort that was put into making our wonderful seaside pictures and models. We have been reading the story of the Lighthouse Keeper's lunch and designing the setting in the classroom. Because the seagulls were eating Mr Grinling's lunch we created our very own disgusting sandwich to stop the seagulls. In Maths we have been finding half and a quarter of objects and shapes, let us know if you find anything that is a half/quarter at home.

Year 2 News

In Year 2 we have been busy enjoying our Roald Dahl story - The Minpins. We have done lots of writing and have been trying hard to work on our targets. We have written diary entries, letters, holiday news and we are just finishing off our posters to warn people about the terrifying Blood suckling, stone chuckling, bone crackling Spittler. If you aren't sure who this character is; you may like to look at our posters around school to familiarise yourself! In Maths we have been calculating fractions, refreshing our time telling and problem solving by choosing and using appropriate operations. We've been very busy! We have also made a good start on investigating our local area including learning to read maps. With such a short term we have lots to fit in!

Year 3 4 News

WOW, there were so many fantastic plastic projects completed over the Easter break so well done Year 3 and 4. Well done also to those who continued to read and fill their reading records over the holidays - a lot of Best Efforts were handed out.

As for this term, children have enjoyed the start of our Romans topic. For this topic, we will be focusing on mainly Romans roads. So far for this, the children have completed some timeline work; researched cities that the Roman roads led to; found out how Roman roads were built and begun to write instructions. Children have also improved their compass skills by identifying countries that were part of the Roman Empire and describing their position in relation to Italy.

Plastic News

Plastic - Our Plastic Promise Facebook page has just over 200 likes in less than a week! Thank you for all of those who have liked it and left a promise. It is excellent for the children to see what an impact that they can have on the wider community so keep on sharing and encourage others to share too. Year 3 and 4 and the Eco team will continue to update the page by giving videos and images of interest to Mrs Mayo.

As part of our plastic campaign, remember the canvas bag design competition; details of this are on the Eco newsletter. Also the waste free lunch weigh in will be soon too so please keep trying to minimise, or stop, the amount of plastic in lunchboxes.

School Council

The School Council have been helping Mrs Barber in choosing new play equipment for our play area on the field. Work should begin to replace 3 of our structures soon with a new play land ranger planned for our play ground.

After School Clubs

Clubs will begin on Monday 20th May 2019. If anyone has an Afterschool club talent and would like to do a club please let us know.

Flood News

The school entrance hall was subject to flash flooding on Wednesday. It has been cleaned and normal service should be resumed on Monday.

School Lunches

Our new school lunch provider has been very popular with children so far. If you have any queries regarding orders, please contact::

primary@innovatefood.co.uk

For cancellations or choices please log on to your account.

Visit from St Nicholas C of E Middle School

St Nicholas C of E Middle School Teachers and pupils came to visit our Year 4 children, 6 of which were past pupils. They answered questions and shared their routines at St Nicholas.

Bags2School

Please fill and bring your bags2school bags in on the morning of Tuesday 14th May 2019.

New to You

Secondhand uniform will be on display and free to anyone next week. We have some brand new items as well as nearly new to give away, ideal for growing children at the end of an academic year. If you want any items please take.

St Kenelm's Church

Fete

13th July 2018

2.30-4.00 pm

All welcome
