

News from us

Week ending 24th May 2019

From Mrs Barber

It has been a short but busy half term for all the children. Well done to Year 3 / 4 for launching our Plastic Promise on facebook and driving forward the need to reduce and recycle our plastics. Please add your pledge <https://www.facebook.com/Plastic-Planet-Promise-286839045538102>

Well done to Year 2 who have completed all their KS1 SAT tests this month and to Year R / 1 who have made our new reception children feel so welcome on their first playdate. Please access all our school news and photographs on our website. The galleries are full of exciting photographs and recordings of your children to share with you.

Year R 1 News

What a busy term we have had! Well done to everyone keeping up their listening and persevering skills to ensure great learning. All children have written fantastic stories about the lighthouse keeper's lunch. In topic we have been looking at the key features in Upton Snodsbury and what makes our village special. We have been on two walks identifying the different homes in our village and also had a great experience watching the local farmer shear their sheep. It was fascinating to watch and we all had lots of questions!

Year 2 News

We have had a very busy April in Year 2 and the children have risen to all of the challenges. We have really enjoyed continuing to learn about the Minpins, making information texts about the Spittler and putting them up on display around the school. We've used our skills to create information text about our class pet Nibbles and some other pets. If you're thinking about getting a new pet take a look at the examples of our information texts on the website! The children have also enjoyed investigating our local environment, learning about human and physical features in Upton Snodsbury and our locality. On Wednesday we enjoyed a surprise trip to the local farm to see the sheep being shorn. The children, and adults alike, had lots of questions to ask.

Year 3 4 News

Over the last two weeks we have designed Roman vehicles and created the chassis for it out of wood. These will be sent home to finish off over the holiday as homework. We look forward to sharing them after the holiday. The children have also really enjoyed their trip to the Corinium Museum. It has also been a very sporty time with some children representing us in a cross country and Year 4 going Bellboating. Year 3 have also been busy with improving the school grounds and writing to local business. Photos of these are on the website.

House Challenge

Create a poster to stop dog owners allowing their dogs to foul on the pavements. 20 house points per entry. The most creative 3 posters will be copied for resident flyers.

Children's Charity Effort

Well done to Emily for donating her hair to Little Princess Trust and raising £650.00 for the charity. Daisy will soon be having her hair cut and is raising money for the Little Princess Trust as well. If you would like to donate to Daisy's just giving page:

<https://uk.virginmoneygiving.com/DaisyHair>

Community News

We are working with the Parish Council in planting wild flowers to attract the bees. Next term we will be planting next to the carpark and in the Churchyard.

Arts Day—Help

For Arts Day on 5th June we need:

- Washed tins (baked beans size)
- Clean yogurt pots
- Bottle tops especially blue lids
- Small round plastic plant pots

Please let us know if you are available to help on Arts Day.

Upton Snodsbury C of E First School

School reopens on
Tuesday 4th June.
(TE day on 3rd June)
