

News from us

Week ending 14th June 2019

From Mrs Barber

Welcome back to a rainy June, our final curriculum letter was sent out last week with all our exciting plans for the term. We did manage despite the weather to have a very successful Arts Day last week. The children studied buildings in and around Upton Snodsbury and produced some fabulous pencil drawings and water colours for our entrance hall. The children also recycled plant pots and tins to make bee feeders and planters which will be sent home soon. The Eco Council are still collecting gold, yellow, blue and orange bottle tops. Please send in to Mrs Mayo.

Year R 1 2 News

Yesterday we had an incredible day with Mr Caddle, the pirate man. Thank you everyone for all your effort in dressing up, the children had great fun! We learnt about what it was like to be a pirate, what they wore, where they kept their treasure, different ships they sailed and even heard a cannon fire.

Year 3 4 News

We are just about finishing our Roman topic and moving on to our bee topic. Well done for all of the amazing Roman vehicles coming in to school. You worked hard on them.
