Week ending Nov 11th 2016

## From Mrs Barber

We have a new finance policy in school where we are no longer accepting cash or cheques. All payments for visits, Little Owls, Early Birds etc. must be made on PFS. If you have mislaid your number please contact the school office for it. Please do not pay on Nunnery Wood's Parent pay for anything apart from lunch, as refunds are difficult to process.

Over the next month we will be refurbishing our children's toilets. A skip will be on the car park, please ensure the children do not attempt to climb near it. Both the girls and the boys toilets will have new sinks, doors, flooring, lighting, new paint and blinds. They should look fabulous when finished.
