

News from us

Week ending Nov 25th 2016

From Mrs Barber

We are busy practising our lines and singing carols for our Nativity. With only a week to go, the children have taken their song sheets home to learn all the words. Tickets will be distributed next week for our performances. Only two per family are available for Thursday evening and we recommend younger children come to our afternoon performances only.

Maths Morning

Maths Morning was well attended today. Parents and Grandparents played number games to help children learn the basic skills. A pack of games is in their book bag and an information leaflet on the skills the children **must** master by the end of the year. These are key areas which, when grasped, help children work more smoothly through their year objectives. Die will be given out next week for playing all the games. Have Fun!

Parent Governor

We are in need of another
Parent Governor to complete our
Governing body. Information and
Gov-
nomination forms were in the book bags last week.
Please return nominations by Friday
December 2nd 2016
