

News from us

Week ending 3rd March 2017

From Mrs Barber

Celebrating Reading Week

We enjoyed book sharing this week and having our parents in school to share a book. World Book Day was very eventful with Cleopatra to Albert Einstein making an appearance. The children spoke enthusiastically about their non fiction characters who were researched very well. We hope this reading will continue with research for our new learning themes and their home reading books. Please keep encouraging your child to read aloud to you. The Curriculum letters are in book bags tonight with all the information on our new learning themes.

Recycling Week

Next week is recycling week. We have two visitors in school to talk to us about recycling and composting. All children need an old wellie for Thursday's Recycled Arts Morning and we still need plastic bottles, bottles tops etc.

Safeguarding

Please ensure you only enter school through the Reception. To ensure our children's safety no adults should enter into school through classroom's door.

Stars of the week

Year 3 /4 — Carla

For an excellent approach to problem solving in all areas of the curriculum.

Year 2 - Logan

For choosing, researching and sharing his incredible World Book Day costume with the school.

Year R /1 — Katie

For persevering and working independently on creating her own animal dictionary.

Many Happy Returns to:

Jed

who celebrates his birthday this week.

Readathon

Well done to all our readers who took part in our Readathon. All children who took part will receive a certificate and a bookmark on Monday. Please return all sponsor money next week so the children can begin to order new books and our prize winners can be jannounced.

This Weeks "Thunk"

10 House points will be given each week for discussing our "Thunk" at home.

Is a bird singing or talking?
