

News from us

Week ending 17th March 2017

From Mrs Barber

Science week has been very exciting here at school with numerous experiments and investigations taking place in each class which the children enthusiastically shared with each other in assembly today.

During the week the whole school was visited by Mr Wilson who told the children about (and demonstrated) the science of chromatography in addition he showed how scientists use equipment such as the raspberry pi to record measurements under a second.

Year 3 and 4 had a visit from Severn Trent where they filtered water and discussed the water cycle. Photographs of the week are on the website.

Year 2 Performance Reminder

Children will perform "Hansel and Gretel"
on

Thursday 30th March (Dress rehearsal and
Local Community)

Friday 31st March
at 2.00 pm

Red Nose Day—24th March 2017

Children can come to school with their red nose or wear an item of red clothing such as a hairband, socks etc. All donations for Comic Relief will be welcome. We have asked the children to bring a joke to tell.

Stars of the week

Year 3 /4 — Beth

For a detailed story plan using her research she completed for homework.

Year 2 — Megan

For a writing a detailed letter using subordinating conjunctions.

Year R /1 — Finlay

For writing a fantastic set of instructions on how to plant a bean.

Keyboard Performance

The children learning keyboard in Year 2, 3 and 4 will perform a short piece for the school on Friday 24th March at 10:10 am.

PE

Please, please, please have PE Kits in school, especially if you have been to an afterschool club the day before.

This Weeks "Thunk"

10 House points will be given each week for discussing our "Thunk" at home.

Natural or Manmade which is better?
