

News from us

Week ending 19th January 2018

From Mrs Barber

We are in church this Thursday to say goodbye to Reverend Nancy who retires at the end of the month. She has been a great support to the school and we will miss her.

Spelling Year 2 3 and 4

Please ensure children are using their rule to write their spelling lists in their reading diary each week. A wide range of words are given through the week to add in their diaries and practise at home.

Staff Absence

We have been hit quite badly with various flu illnesses. We will endeavour to keep staffing consistent over the next few weeks and keep curriculum routines the same.

Book Donations

Thank you to Beth in Year 4 and Antonia in Year 3 for donating books to our library. They are stamped and ready to borrow.
