

News from us

Week ending 26th January 2018

From Mrs Barber

There was a fabulous turn out of tartan today for our Burns celebrations. The children tried some haggis and took part enthusiastically in some Scottish dancing. Photographs are on the Website.

Fill Your Bucket

The children have been asked to fill a bucket of good deeds and kind thoughts. Children who returned them today did a fabulous job of helping others. Please return the buckets next week to share in school if you forgot today.

Catch It Bin It Kill It

The children have been learning how to cough and sneeze more hygienically this week. Please encourage this at home as we still have many pupils ill.

Children's University Passports

Please bring into school passports to have last term's club hours added. Graduation will be in July at Worcester University for children with more than 30 hours. The children had tea and wore their gowns last year with children from our other first schools and thoroughly enjoyed the graduation ceremony.

Letters

Pinvin Pre-School—Whole School
