

# News from us

Week ending 16th February

## From Mrs Barber

Well done to all our classes for such interesting shared learning this week. The children have worked hard this term and it was lovely to hear them talk about their learning so enthusiastically to so many parents. Photographs are on our website. Enjoy half term. School reopens on Monday 26th February 2018.

## ECO News

Over the last two years, Eco have been working on even more ways of improving the school's environment. For instance, we have started to look at the electricity bills to see how much we are wasting and how to save it. Because of this, we have started to send one of our members around the schools before break time to switch off the lights.

Each year we do an environmental review to see what our new focus will be. Last year our main topic was water. This year's main focus is waste. As the moment, we are starting to do an action plan which we will soon be up loading on to the website.

We will keep you informed through the website and the newsletter over the next few weeks about what we are doing. If you look on the ] website now you will see our powerpoint that we shared with the whole school on how ECO friendly we already are.

## St Nicholas Middle School

Meeting for Year 4 parents, 27th February 2018 at 6 pm. Preparing your child to be Middle School ready.

## Letters

Head Lice— Whole School  
St Nicholas Middle School—Year 4  
Primary Times—Whole School  
Change4life leaflet—Whole School  
Performance Letter—Year 2

## Stars of the week

### Year 3/4 — Megan K

For excellent remembering and application of her mathematical skills.

### Year 2 — Corey

For persevering in his reading, spellings and showing he can do beautiful handwriting.

### Reception/Year 1 — Ben

For matching words that rhyme independently.

## Help!

We are in need of parents for a full day to reband our book library. Please see Mrs Tullett if you have a day to help!

## Spring 1

### House Winners

Willow 540

Ash 450

Sycamore 430

Oak 300

Children earned house points from their good deed bucket challenge and e-safety posters.

## Many Happy Returns to:

Anna

Verdi

Elsie

who celebrate their birthdays.

The Readathon is on.  
Happy reading.
