News from us

Week ending 23rd March 2018

From Mrs Barber

It has been a busy week in school with our Parent Consultations and Visitors. A delegation of Headteachers from the Wiltshire Learning Trust enjoyed sharing our children's learning on Thursday. Today we had a talk from "ACE" the Gladiator Warren Furnam on his faith and beliefs. Children also shared their favourite sports heroes. Photos on website.

Stars of the week

Year 3/4 — Elsie

For excelling in her home learning and applying her spelling.

Year 2 — Antonia

For persevering when solving multiplication and division problems.

Reception/Year 1 — Maria

For independently writing a recount of our visit to St Kenelm's Church using her sound knowledge.

Year R / 1 Forest School for R / 1 is on Wednesday next week.

Easter Service
Thursday 29th March
9.00 am
All welcome

Clubs

Please return your club interest form on Monday so that club leaders can be informed.

Road Safety

Please ensure your children are accompanied across the road as there have been some 'near misses' lately. There has also been complaints regarding drop offs in the middle of the road outside the school gate. Please help keep our children safe on the road and drive with care.

Homework

A leaflet on our school homework timetable went out last week. Our homework tasks are planned to take up no more than one hour a week. Tasks enable parents to share in your childs learning. Spelling and reading practice is expected 3-4 times a week but in short 10-15 minute slots. Children who read regularly are noticeably stronger in writing and able to use a wide vocabulary range.

Science Week

Parents will be invited in on Wednesday 25th April 2018. More information to follow.

Governor news

Mr Gary Yendell has joined our Governing Body as a Co-opted Governor.
