Week ending 27th April 2018

From Mrs Barber

There was a fabulous Buzz in school on Wednesday as the children, parents and grandparents took part in our science workshop. Mrs Mayo gave a short presentation on science at Upton Snodsbury and the skills in KS1 and KS2 the children are learning. Then everyone tackled a huge range of science investigations together. There was lots of fun and lots of learning going on. We all enjoyed our trip to the Think Tank on Thursday and well worth another visit parents. Photographs are on our website along with the Science Presentation if you missed the morning.

Young Scientist Competition Earn 10 housepoints

KS1 and Reception—Carry out a Science investigation at home and then create a poster showing what you did and what you found out. You may find some ideas on www.sciencekids.co.nz/experiments.html

KS2—Create your very own innovation to make brush-time more enjoyable. The children will be sent an entry form home and please could they return it by 23rd May. If someone in the class wins the national competition, we will win £1,000 for science equipment and have a sleepover at the Science Museum!

Stars of the week

Year 3/4 —Noah

For superb comic strip showing digestion.

Year 2 — Emily

For asking questions to help answer our science investigations.

Reception/Year 1 - Thomas

For showing a great interest in the 'we made it' section in the Science Museum.

Year 4—Diary Dates Summer diary out next week

Reminder

TE DAY FRIDAY 4TH **MAY 2018** SCHOOL IS CLOSED

Bags2School

We have arranged another date for Bags2School. The collection date will be Wednesday 6th June 2018 at 9.00 am.

Early Birds and Little Owls

If you require an ad hoc booking for Wrap Around Care we will now need at least 24 hours notice. This is due to high numbers in both. Unfortunately unless you have made a booking for Early Birds we will not be able to accept children just turning up on the morning.

Birthdays

Many Happy Returns to:

Millie

Lottie

who celebrated their birthdays this week.

Clubs Art begins Monday 30th **April** Gardening begins 3rd May Cookery A begins 3rd May

Old Bed Linen

Please could you send in any unwanted bed line/curtains so that Yr 3 / 4 can use them next term.
