

News from us

Week ending 12th July 2019

From Mrs Barber

It has been a very busy two weeks in school and the children have experienced some very exciting learning opportunities. Please read below and log on to our website to see further photographs. Children's school reports all came out on Thursday, conveying their progress and attainment. It was very rewarding to read each child's achievements over the 3 terms. Well done to all the staff and children for such efforts over the last year.

Birmingham Hippodrome

The whole school attended the 'Birmingham Hippodrome Theatre' to see 'Joseph and his Amazing Technicolour Dreamcoat'. It was a fabulous performance and the children sang and danced to the music. They were also treated to an ice-cream. Thank you to FUSS for funding this experience for our children the ticket costs came to over £1,000.

Sports Morning

We were fortunate to have a dry and warm day on Monday for our annual House Sports Event. Everyone gave their best and showed good sportsmanship including our Mums and Dads who competed in their races. It was a most enjoyable morning. Thank you FUSS for our teas and cakes. The winning house was Sycamore.

Science Fun

We had a super turnout of parents for our science workshop last Wednesday. Parents and children explored a wide variety of experiments indoors and outdoors in every class. Everyone enjoyed the science fun.

New Classes

Our Year 4 children all visited their new schools for 2 days last week. All our other children moved into their new classes for a morning session too, while the new reception visited. Classes for next year 2019-2020 will be:

Year R / 1 Miss Jones
Year 2 Mrs Dunne/Mrs Harding
Year 3 / 4 Mrs Mayo

Cancer Research Fun Run

Parents welcome to join in. Donations of £2.00 or more for this worthy cause can be brought in to school on Monday.

 Race for Life

Raffle

Please sell your raffle tickets and return monies to school with ticket stubs. Great prizes to be won.
