

News from us

Week ending 19th July 2019

From Mrs Barber

We have had two very special presentations this week. On Wednesday we said goodbye to our Year 4 children. We wish them much happiness for the future they have been a super year group to teach. Thank you Year 4's for the lovely books donated to our school.

On Thursday we said goodbye to Mrs Bennett. She has been our Cleaner in Charge and key holder for 29 years. She was presented with a new wheelbarrow, a framed portrait, a lantern and a £50.00 voucher from donations from staff, Governors and children's donations. Mrs Bennett will continue to pop into school for Open The Book and will garden for us. We wish her well in her semi-retirement.

Can we wish all our children and parents a fabulous Summer holiday on behalf of myself and all the staff and thank you for all your thoughtful cards, cakes and gifts this week and through the term.

Happy Holiday
