

News from us

Week ending 27th September 2019

From Mrs Barber

There has been much excitement in school as the children have become absorbed in their new topics. Our website is fully up to date with lots of photographs in the class galleries. Please look this weekend to see your child busy in their learning. Year R 1 had the most hits last week who will it be next week?

Harvest Festival

Thursday 3rd October 2019

At 9.00 am

St Kenelm's Church

Oscar Dress Down Day

We raised £211.50 thank you for all your kind donations.

**Upton Snodsbury
Scarecrow Walk**

Saturday 27th September 2019

Come and see our school scarecrows on the trail.

Begins at 12 noon.

Summer Reading Challenge

Well done to all those who did the Summer Reading Challenge.

Friendship Week

The children made new friends and created friendship bands for each other over the week. We discussed what makes a good friend and heard stories about friendship. See our friends in the whole school gallery.

Underpants

Please bring in any spare underwear that no longer fit your child(ren). We are particularly short on girls underwear.

News from us

Year R 1 News

The children are working really hard to be independent in the morning and carry all their belongings into the classroom and find where to place it. Last week we visited the forest of Arden agricultural show and saw a range of tractors ploughing. It's so lovely to hear who has been showing their family the photos from our visit to the Forest of Arden show on the website. Well done to all children who participated in the art competition with their spoons or hand prints. Our class won five certificates! In our English lessons, we have been learning how to retell the story of the little red hen. We can't wait to show you at the Harvest Festival.

Year 2 News

It's hard to believe that September is nearly over. The children have settled so well into their new routines and are much more independent in the mornings, getting straight on with their jobs and completing their morning activities. We have had such a wonderful time finding out about farming, visiting the Forest of Arden Ploughing Match last week to see a range of ploughing from horses right through to modern times. The children loved seeing their entries in the craft tent and we had some added bonuses of a tractor ride, meeting the Warwickshire Beagles and seeing some ladies spinning a sheep's fleece into wool for knitting. The children have produced some wonderful recounts of our trip and they learned so much. This week we have been to the Parkes' farm in Spetchley. We must say a huge thank you for their hospitality and we were so lucky to see cows being milked, fed and feeding the calves. Again the children have learned a lot and have really enjoyed producing an information text to share what they have learned with Year R and 1. We are looking forward to visiting another farm to see what crops they grow and what physical features there are on their farm and we are hoping to walk to see the maize in Cowsden being harvested.

Year 3 4 News

The last two weeks started off with the children coming dressed to school as if they were Victorian. They then experienced what it would be like at school. There were finger nail inspections, lots of copying off the board and chanting of maths facts. Some children also had to wear the dunce's hat and others had to write with their right hand even though they are left handed! As part of the day, they also experienced a PE in the form of a drill session. After experiencing school life, we examined jobs that the children might have had to do. The children wrote adverts for farming jobs and then used the internet to research other jobs such as being a maid, a street seller, a factory worker and a chimney sweep. The children have also shared their workhouse homework and we have been impressed with all of the different ways of presenting the facts that they had found out.
