

# News from us

**Week beginning 4th November 2019**

**From Mrs Barber**

It has been a pleasure hearing and watching the children share their learning at the end of term with so many parents. There has been a wealth of learning activities, visits and experiences enjoyed this term and listening to their favourite moments was delightful. Photographs are on our website and class updates written on every newsletter.

## Children

Please check out our children's tab on our website to see how much they are contributing to school life.

## House Autumn Competition

Children have been asked to print a photograph (A5 size) of Autumn. 10 House Points for each one. Prizes for the top 3.

## Questionnaires

Please return your questionnaires to school so that we can review parent's views and plan future actions for our school.

## Ties

We have ties for sale in the school office if you have lost one at a cost of £4.50.

## Autumn House Winners

Oak 2680  
Sycamore 2670  
Ash 2650  
Willow 2000

## Communication

Please check our website for any lost letters or dates. Mrs Tullett is unable to personally correspond to questions, emails or queries already posted. Many year groups use WhatsApp to remind one another.

## Hairbands

Please refrain from hair playbands with ears and horns.

## Aldi Tokens

We are collecting Aldi tokens for a new sports kit. Please pass them on to our teachers if you have

## Diaries

Please return your diaries after the October break. Two to three entries will be fabulous and bring them back to school this week.

## School Council

On Fridays the School Council will sell "tuck" at Friday playtime and at 3.00 pm. They want to raise money to Sponsor a Guide Dog. Price lists will go out in the first week of the next half term.

**Poppies and British Legion gifts on sale 50p, £1.00 and £1.50.**

# News from us

## Year R 1 News

These two weeks we have been practising our number bonds to 10 in Year 1 by singing our farmer Pete song. Reception have been helping us to count our sheep that have got lost and have been counting one more and one less. On Thursday 17th October we had one egg that hatched and we now have a new, fluffy friend to look after. We have been looking after our chick by feeding it and keeping it hydrated by changing its water. Now it is a week old, we have been lucky to hold and stroke our chick. It was lovely to see so many parents this week, have a lovely half term break.

## Year 2

In Maths we have been practising adding small numbers using lots of different methods and games to speed the process up. You can help at home by playing games with dice to hone the skills further. In Literacy we have been focussing on adding conjunctions to extend our sentences and add extra detail. The children are spotting them in their reading and when they are writing, I'm sure they will tell you all about them.

Please look at the website to find out the chick news!

Finally, thank you so much for coming to join us for our sharing assembly and Parents Evening. It was great to see you all and share how busy the children have been. It has been a super half term and the children are already quizzing me about what our next topic will be. They have some great ideas but they will have to keep guessing until after half term!

## Year 3 / 4

We have had a busy last couple of weeks of term including a sharing assembly to show off our amazing work to the rest of the school and our families. In Art, we have looked at work by Lowry and William Morris. After discussing their styles, we compared them and then had a go at doing our own. It was harder than we thought it was going to be! In English we finished off our Oliver Twist trailers and then began to look at show and not tell emotions. After acting out being down a mine, we used our show not tell emotions to write about being a trapper and all of the emotions that we would feel! In Maths, we are still continuing with learning our times tables and we try and sing our times table songs every day!
